

## FB1000 Box assembling machine

It's widely used to make book type boxes. It can feed two cases at one time by hand.

Adopt servo motor, high positioning precision

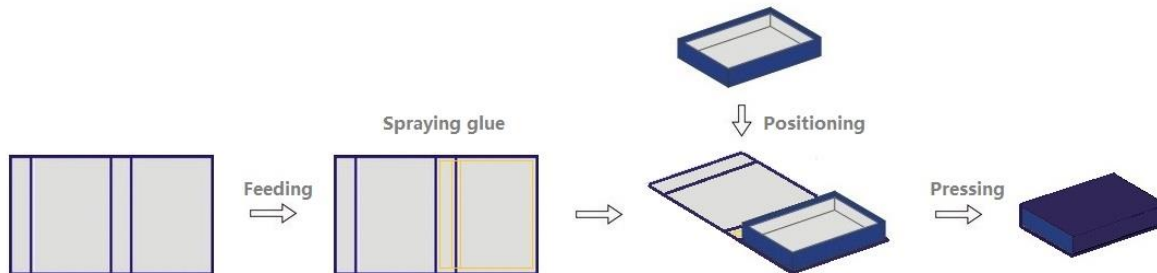

The shape of glue spraying could be set, such as square, cycle, triangle, letter etc.

Friendly HMI

### Production Flow:

### Main Technical Parameters:

Min. Cover size	30×30mm
Max. Cover size	700×1000mm (single feeding)
	300×1000mm (double feeding)
Gluing area	550x650mm (Single feeding)
	450×650mm (double feeding)
Speed	≤23pcs/min
Air supply	30L/min 0.5Mpa
Voltage	4.5kw AC380V/60HZ 3pase
Machine size	3700×1400×2000mm
Machine net weight	750kg
